Jaguar X Type 2001 2009 Workshop Manual PDF

The X-Type is Jaguar's alternative to premium saloons like the BMW 3-Series and Audi A4. However it has never proved as popular as models from the German manufacturers, due in part to a limited engine line-up and the lack of a diesel until 2003. That's not to say the X-Type is a bad car - far from it. Admittedly the styling isn't very modern, both inside and out, but it's exceptionally refined and manages to blend excellent comfort with decent handling.
