A Poetic Disorder (The Galactic Circle Veterinary Service ...
When Vivian is offered a position as a Galactic Agent, can she keep the coffee hungry creature at bay long enough to solve the mystery at hand? The cover design of Death and Disorder suggests that the story will be a wild space adventure, and it does not disappoint. Patricia Crumpler establishes the world quickly within the first chapter through descriptive details of all the sights, sounds, and smells that Vivian is experiencing, which will make the reader feel like they are right alongside ...
