summary. This timely volume embraces and interprets the increasingly broad and deep canon of life narratives by African Americans. The contributors discover and recover neglected lives, texts, and genres, enlarge the wide range of critical methods used by scholars to study these works, and expand the understanding of autobiography to encompass photography, comics, blogs, and other modes of self-expression.

Richard Wright. States for the last eight years is himself an African American writer. In his book, A Home Elsewhere: Reading African American Classics in the Age of Obama, Stepto compares relevant parts from Obama's memoir, *Dreams from My Father: A Story of Race and Inheritance*, with foundational literary texts, some of which are autobiographies. I titled my introduction "African American Autobiography in the Age of Obama" to emphasize this connection.
