Principles of the Law of Agency: Howard Bennett: Hart ...

Agency law allows an individual to employ another to acquire property, carry out work, and sell goods and services on his/her behalf. A principal can authorize the agent to carry out various functions or restrict the agent to the performance of specific functions.

Definition of Agency Law: Everything You Need to Know

Agency is a fiduciary relationship whereby one party expressly or impliedly authorizes another to act under his or her control and on his or her behalf. The party for whom another acts and from whom such authority derives is a " principal.

Agency – The Basic Law | Stimmel Law

Agency, in law, the relationship that exists when one person or party (the principal) engages another (the agent) to act for him— e.g., to do his work, to sell his goods, to manage his business. The law of agency thus governs the legal relationship in which the agent deals with a third party on behalf of the principal.

Agency | law | Britannica

The law of agency is an area of commercial law dealing with a contractual or quasi-contractual, or non-contractual set of relationships when an agent is authorized to act on behalf of another (called the Principal) to create a legal relationship with a Third Party.

Agency Law - Guide to Agent Law - HG.org

The law of agency is an area of commercial law dealing with a set of contractual, quasi-contractual and non-contractual fiduciary relationships that involve a person, called the agent, that is authorized to act on behalf of another to create legal relations with a third party. Succinctly, it may be referred to as the equal relationship between a principal and an agent whereby the principal, expressly or implicitly, authorizes the agent to work under their control and on their behalf. The agent i

Agency Law And Principles: Munday: Amazon.com.au: Books

Food hygiene legislation is closely related to the legislation on the general requirements and principles of food law but specifically concerns the microbiological safety of food. The legislation lays down the food hygiene rules for all food businesses, applying effective and proportionate controls throughout the food chain, from primary production to sale or supply to the food consumer.
