DC Comics relaunched Batman with issue #1 in September 2011, written by Scott Snyder and drawn by Greg Capullo, as part of DC's company-wide title relaunch, The New 52. As with all of the books associated with the DC relaunch, Bruce Wayne appears to be about five years younger than the previous incarnation of the character.

"Batman" was the first comic book series featuring Batman as the protagonist. After a successful year of publishing Batman stories in Detective Comics (Volume 1); DC started publishing "Batman" in the Spring of 1940. As with most books of the era, it consisted of various stories featuring Batman and his recently introduced sidekick, Robin.
