This tab is transcribed from the "Live Norwegian TV '73" recording which I found easier to follow than some of the other versions. Just remember that this is Bert Jansch; a man who was always happy to chuck in an extra note or beat whenever he felt like it, so don't get too hung up on trying to play every note exactly the way he did in any particular recording.

(jamiephillips22@hotmail.com) Artist: Bert  
Jansch Track title: Soho Album: Bert and John  
Tuning: DADGBE Capo: None; guitar tuned down  
semitone on recording This is really easy to  
play and a classic drop-D picking pattern  
from Bert – I didn't tab John Renbourn's lead  
part although it's really easy to pick out  
the main theme and the rest is improvised.
