California Gardens Creating A New Eden

"Gardens are for people," Church wrote in his 1955 book with the same title. During a career that spanned four decades, he designed more than 2,000 gardens that capitalized on California's perfect climate and the same restless urge for wide open spaces that propelled pioneers to cross mountains to get here.

New California Gardens & Hardscapes Generations of Craftsmanship. Due to drought and the consistent extreme heat that we have during the summers, Southern California has to seek alternative methods to traditional landscaping. Quality and craftsmanship is paramount in the design and implementation and installation of materials that comprise landscaping.

Garden & Landscape Design, Ideas and Tips | Garden Design

One way to create a sense of space in a small garden is to put some curves into your garden paths. A slightly meandering walkway is always better than a straight path because it will give visitors the sense that they are traveling through a large landscape. Just be sure to make your path wide enough for two people to walk side by side comfortably.
