Yet again Kylie Brant has delivered a gripping story/thriller, the first in the "Circle of Evil" trilogy. Without a doubt it was suspenseful and extremely intense as it kept me on the edge. In Iowa a task force was set up to investigate and hunt down a vile predator that brutalized and murdered six women.

Storyline. Patrick McCord doesn't accept the explanation of his sister's mysterious death as suicide, and instead teams up with a team of paranormal investigators to delve deeper into the inexplicable circumstances that surround what he believes to be murder. The team's investigation leads them from one bizarre and frightening clue to another, at the center of which seems to exist something evil and terrifying, a presence well beyond their wildest imaginations and experiences.
