Colloquial German (Colloquial Series (Book only ...

The author of Routledge Colloquial German seems to have deliberately limited the scope of this course to meet the immediate needs of a traveller. This is a very BASIC introduction to the German language. Without having actually counted all of the words, not all of which are listed in the glossary, I estimate the vocabulary at roughly 900 words.

I've been learning German for months now, and I know the difference between ein bisschen (a little) and ein moment (one moment). However, after my teacher said that my German is good in front of the entire (online) class, the other teacher asked me to turn the camera on and I, being anxious, answered "ein bisschen".
