1. Conflict involves opposition. Conflict exists if a party is in disagreement with another (it could be internal or

Download Free Conflict Theory Concepts

external) because one does not accept or agree with the other. Therefore, there is a level of interaction or point of contact for conflict to take its course.

2. Conflict has come to stay among humans

Conflict Theory, developed by Karl Marx, purports that due to society's never-ending competition for finite resources, it will always be in a state of conflict. The implication of this theory is that those in possession of wealth and resources will protect and

Download Free Conflict Theory Concepts

hoard those resources, while those without will do whatever they can to obtain them.
