particular chord and then to go on to understand how these notes combine to produce either a Major or a minor triad. In the example below we can see how it is possible to encourage the student to "work from what is known to what is unknown" (one of the most effective methods of producing a "joined up" knowledge of a theoretical base)

Play a major chord and lower the middle note, or third interval, by one half-step. For example, a C major chord has the notes C-E-G. To play a C minor chord, lower the E to E-flat. Tweaking the fifth for augmented and diminished chords. By altering the fifth interval of a major or minor chord, you can create two new chord types, both triads.

Useful for homework or coverwork or in class to support/revise
recent learning about chords. There is also a chords factsheet which
can be used in combination with this worksheet, to produce a totally
self-supporting resource for independent learning (eg homework), or
for a cover situation where a specialist teacher is not available.

Create a New Workbook for Each Sheet - Excel Macros

We take the first, third, and fifth note of the major scale to create this chord. So a C Major chord has the notes C-E-G. C Major Triad. Some formulas modify one of the degrees with an accidental. For example, the minor chord formula is 1- 3-5. This means that a C minor chord has the notes C-E -G.

Chord Construction | Guitar Lesson World

The first inspiration to create a “ circular cosmograph ” came from Mike Bostock ’ s Uber rides by Neighborhood. Reading his article we learned the name of this visualization tool: chord diagram. We have seen lot of stimulating solutions on CIRCOS site. We wanted to do something similar in Excel, although initially it

1. Using the functional harmony chart, create a chord progression.
2. Each functional category is grouped, so tonic is blue, pre-dominant is green, and dominant is red.
3. To do create your progression, fi rst pick your key. For now, we will pick a simple key like C minor. In the box labeled “ Chords ” , write the actual letter name of the chord.
