Creating Learning Society New Approach  
In Creating a Learning Society, Joseph E. Stiglitz and Bruce C. Greenwald cast light on the significance of this insight for economic theory and policy. Taking as a starting point Kenneth J. Arrow's 1962 paper "Learning by Doing," they explain why the production of knowledge differs from that of other goods and why market economies alone typically do not produce and transmit knowledge efficiently.

---

Creating a Learning Society: A New Approach to Growth ...

A "LEARNING society" perspective takes a very different view of growth and development strategies from the standard neoclassical approach in several respects. It begins, as the last chapter explained, by focusing on the knowledge embedded in individuals, firms, and in society more generally--and how that knowledge changes, is transmitted, and is put to use.
