The national crisis posed by the school-to-prison pipeline calls on us to go beyond conventional policy, funding, leadership, and action. As this book clearly shows, disrupting the pipeline from end to end will require a complete reorientation of our values, systems, and practices, so as to construct new educational rights and opportunities for young people.

**Disrupting the School-to-Prison Pipeline**

The school-to-prison pipeline is one such adversity that disproportionately criminalizes students of color at a rate three times greater than other students. This process often begins as early as 3rd or 4th grade with the labeling of students as inadequate or flawed in a fundamental manner.

**Disrupting the School-to-Prison Pipeline | Adolescent ---**

Disrupting the School-to-Prison Pipeline. By Marisol Garcia. In spring of 2017, the elementary school staff of a small, Massachusetts town called an ambulance to take Ashley—a fourth-grader experiencing an acute mental health crisis—to the local hospital’s emergency room. On the way, Ashley struck an EMT in the face, and as a result, charges were pressed against Ashley for assault and battery.

**Disrupting the School-to-Prison Pipeline**

Disrupting the School-to-Prison Pipeline consists of four main parts and twenty one chapters. The first part, Discipline and Justice in Schools, provides a historical context, case studies of out-of-school exclusionary suspensions, and statistical trends in the U.S. correctional system. The second part, Education in Detention, includes curriculum and educational approaches, teacher reflections, and the experiences of educators working in the juvenile justice system and in prisons.
