March 26, 2013. Emotional turmoil makes simple tasks complicated, easy tasks hard, and quick tasks slow. High emotion, boiling frustration, and hurt feelings inspire blame. Blame invites defensiveness. Defensiveness causes us to pile on other, perhaps unrelated, problems to prove our point.

7 Ways to Deal with Emotional Issues | Leadership Freak

Your ability to manage core feelings such as anger, sadness, fear, and joy often depends on the quality and consistency of your early life emotional experiences. If your primary caretaker as an infant understood and valued your emotions, it's likely your emotions have become valuable assets in adult life. But, if your emotional experiences as an infant were confusing, threatening or painful, it's likely you've tried to distance yourself from your emotions.
