Theology

Judaism, Liberalism, and Political Theology provides the first broad encounter between modern Jewish thought and recent developments in political theology. In opposition to impetuous associations of Judaism and liberalism and charges that Judaism cannot engender a universal political order, the essays in this volume propose a new and richly detailed engagement between Judaism and the political.

Judaism, Liberalism, and Political Theology | 9780253010278

Judaism, Liberalism, and Political Theology provides the first broad encounter between modern Jewish thought and recent developments in political theology, arguing in opposition to impetuous associations of Judaism and liberalism and charges that Judaism cannot engender a universal political order. The vexed status of liberalism in Jewish thought and Judaism in political theology is interrogated with recourse to thinking from across the Continental tradition.
