The pages of the magazine became a written gospel for the fledgling extreme metal underground, combining eye-ripping graphics, brutally honest writing, and a relentless and sick sense of humor. As black metal rose to prominence in Norway in the 1990s, Slayer Magazine remained the final word on the moods and motivations of those dark times. This book is densely illustrated with early candid photos of classic heavy metal bands including Kreator, Mayhem, Emperor, Darkthrone, Napalm Death, and ...
