New Progress in Junior Mathematics (Second Edition)
American high school seniors' math scores didn't improve between 2015 and 2019, while their reading scores fell, according to the latest round of federal test results. The scores highlight the country's broader failure to boost student test scores over the last decade and the particular stubbornness of high school reading results, which have actually declined since the early 1990s.

High school seniors have made no progress in math or ...

New South Wales senior maths is undergoing an overhaul. Teachers need content they can trust so that they can adapt to the changes and help students grow. Get ready for the new syllabus with our updated series including new topics, digital technology features, and updated assessment preparation. It's the new edition built for New South Wales on a solid foundation.
