Principles of Animal  
Physiology

I used this textbook  
for an intro level  
animal physiology  
class. Overall the  
book is very well  
written and  
approachable.

# Acces PDF Principles Of

Concepts are laid out simply and in an easy to follow format. If you are looking for a detailed look at underlying mechanisms than this book is not for you --but this isn't the focus of physiology as a discipline.
