Preferred stocks are very different from the shares of the common stock most investors own. Holders of preferred stock are always the first to receive dividends, and they'll be the first to get paid in cases of bankruptcy. The stock price doesn't fluctuate the way common stock does, however, so some gains can be missed on companies with ...

A Beginner's Guide to Investing in Stocks

While talking about the Stock Market for Beginners, we need to talk about what the stock market actually is. The stock market is simply a platform for investors where anyone whether rich or poor can buy and sell shares of the company and become a part of the company. A stock market is a place for the company where it can raise funds from the ...
