March 12, 2019. International law firm Clyde & Co. has recently published an alert on a series of changes made to Tanzanian mining laws and regulations in February 2019. These include changes to the Mining Act 2010 and changes to mining-related regulations, which Clyde & Co highlights and compares the current provisions. When passed into law, which the firm estimates to be imminent, the Mining Act Amendment Bill will have a significant impact.
