The Experiment: An Exploration of Perception and Focus, a ...

The Experiment - An Exploration of Perception and Focus: A Primer is probably one of the best books I've ever read on color theory. Unfortunately, the writers are not writing about color theory for color theory's sake. For them color theory is a means to an end. It is a way for readers to open their mind and find the Way to truth, perception ...

The Philadelphia Experiment – An Exploration of Wormholes, Portals, and Dimensional Jumps Over half a century ago a revolutionary experiment was allegedly attempted which changed the course of history. If nothing more, this experiment—conducted by the United States Navy—was designed to test the capabilities of then-current naval ingenuity.

Experiment Design and perform an experiment to test your hypothesis. An experiment has an independent and dependent variable. You change or control the independent variable and record the effect it has on the dependent variable. It's important to change only one variable for an experiment rather than try to combine the effects of variables in ...

In 1984, the CIA conducted an experiment on remote viewing as part of Project Star Gate. The transcript of this experiment, released via a freedom of information request, is the source of all spoken text. Adapted into a project that is part verbatim performance, part guided meditation – an exploration of the landscapes of outer and inner space.

With new K–12 national science standards emerging, there is an increased need for experiments that integrate engineering into the context of society. Here we describe a chemistry experiment that combines science and engineering principles while introducing basic polymer and green chemistry concepts. Using medical sutures as a platform for investigating polymers, students explore the physical ...

Exploration of Blue was inspired by Submerge, ARTECHOUSE NYC ' s February 2020 installation, in which we featured a highly immersive main piece that explored the psychological and emotional properties of the color blue. Created in reference to Pantone ' s 2020 Color of the Year Classic Blue, Submerge celebrated the healing, calming color blue.
