The gift of imagination has "played" a significant role in our scientific discoveries, technological inventions, creative arts and literature. Most of us use imagination on a daily basis: We imagine a goal or a state of being to work toward; we imagine alternative decisions and their potential outcomes to make an intelligent decision.

**No. 2905: The Gift of Imagination**

Female eccentrics have an increased likelihood of voluntarily splitting from their spouse in their 40s or when their children leave home. At that point, they blossom and become more eccentric and creative." Dr Weeks' latest book, The Gifts of Eccentrics: Imagination in Reality is available in paperback and ebook from Amazon.

**Are you an eccentric? | Elle Canada**

Imagination is one of the most precious and powerful gifts we have received from our Creator. It is, tragically, also one of the most neglected. We have an abundance of it in childhood- I have played for hours as a Sarge to my plastic platoon of G.I. Joe Soldiers. Little girls invite all sorts of imaginary guests to their tea parties.

"The gift of the imagination is by no means an exclusive property of an artist; it is a gift we all share; to some degree or other all of us, all of you, are endowed with the powers of fantasy. The dullest of dullards among us has the gift of dreams at night--visions and yearnings and hopes.

**The Gift of the Imagination ~ The Imaginative Conservative**

Eccentric characters tend to be considered very strange but, in reality, are more accomplished than many that follow the norm. Their eccentricity and creativity celebrate the gift of the human imagination. But eccentricity must be natural and unforced; to be strange in a way that's alluring or entertaining.

**Eccentric assassination by corporatisation? - EN**

On Despair and the Imagination. It may sound strange to locate the problem here, but some of our most despairing moods are caused by failures of the imagination. We are not merely 'sad'; we cannot picture any better life than the agonised one we currently have. What we really mean by imagination is the power to summon up alternatives.
