writer Ford Madox Ford. It is set just before World War I, and chronicles the tragedy of Edward Ashburnham, the soldier to whom the title refers, and his seemingly perfect marriage, along with that of his two American friends. The novel is told using a series of flashbacks in non-chronological order, a literary technique that ...

The Good Soldier - Wikipedia

The Good Soldier is a masterpiece of twentieth-century fiction, an inspiration for many later, distinguished writers, including Graham Greene. Set before the First World War, it tells the tale of two wealthy and sophisticated couples, one English, one American, as they travel, socialise, and take the waters in the spa towns of Europe.
