The Powerscore Lsat Reading Comprehension

The Reading Comprehension section of the LSAT is designed to test your ability to analyze large amounts of material for content and understanding. The Reading Comprehension section always contains a total of four passages, and a total of 26 to 28 questions. Each passage is approximately 450 words in length, and a set of five to eight questions immediately follows each passage.

The Reading Comprehension section of the LSAT contains passages unlike what most students read in their day-to-day lives; none of the passages that you will encounter on the test will likely be "light reading." That is why practicing with actual LSATs is the best way to familiarize yourself with the level of writing that you are likely to see on your test (that is also why PowerScore's practice questions and passages come from actual LSATs).
