Top Secret Bird gives one a first person
account of the development of a rocket
powered interceptor and the enormous
technical difficulties regarding such a task.
The author Wolfgang Spate commanded the
Luftwaffe unit whose task was to test the
revolutionary craft. Spate was also the first
to fly the Me163 on a combat mission.

The history of the German Luftwaffe in World War II has been examined by scores of authors and eyewitnesses. The case of Kampfgeschwader (Battle Wing) 200, or KG 200, is a different story, however. The real story of this special Luftwaffe unit has remained shrouded in mystery, and most members maintained their silence after the war.
