Steps to set the Westminster Chime on Westminster Series Rhythm Clocks. 1. Remove the battery cover. 2. Before inserting the batteries, make sure to set the time at around 5:50(A.M.) by turning the hand-setting knob on the movement. 3. Insert the batteries according to (+) and (-) marking in the battery compartment. (When the batteries are inserted, melody function is automatically set for 5 ...

~~Rhythm Clocks—Time Setting Instructions~~

Setting a battery-operated Westminster clock to the correct time also involves having the quarter-hour chimes and the hour-striking feature coordinate with the time set. The reasons for correcting the time set on the clock may range from adjusting the clock for daylight savings or possibly a change of the battery that operates the clock.

~~How to Set a Battery Operated Westminster Chime Clock~~

To synchronise an electric clock with a Westminster "chime" you will need to follow the manufacturer's instructions in the booklet that came with the clock. If you do not have the instructions, you can often find instructions on the manufacturer's web site, failing that, there are often 'enthusiast sites' that will have the information.
